

Failure Mode and Effects Analysis																			
Project Data				Design Data										Analysis Data					
Project Name				Design Name										Analysis Type		Analysis Date		Analysis By	
Project ID				Design ID										Analysis Method		Analysis Version		Analysis Status	
Project Manager				Design Manager										Analysis Lead		Analysis Reviewer		Analysis Approver	
Project Status				Design Status										Analysis Progress		Analysis Completion		Analysis Final	
Project Description				Design Description										Analysis Scope		Analysis Focus		Analysis Impact	
Project Objectives				Design Objectives										Analysis Results		Analysis Summary		Analysis Recommendations	
Project Constraints				Design Constraints										Analysis Findings		Analysis Conclusions		Analysis Action Items	
Project Risks				Design Risks										Analysis Mitigation		Analysis Prevention		Analysis Contingency	
Project Deliverables				Design Deliverables										Analysis Outputs		Analysis Deliverables		Analysis Milestones	
Project Milestones				Design Milestones										Analysis Metrics		Analysis KPIs		Analysis Targets	
Project Budget				Design Budget										Analysis Costs		Analysis Resources		Analysis Timeline	
Project Schedule				Design Schedule										Analysis Duration		Analysis Effort		Analysis Frequency	
Project Team				Design Team										Analysis Roles		Analysis Responsibilities		Analysis Accountability	
Project History				Design History										Analysis Version		Analysis Change Log		Analysis Audit Trail	
Project Notes				Design Notes										Analysis Comments		Analysis Feedback		Analysis Signatures	
Project Attachments				Design Attachments										Analysis Documents		Analysis Reports		Analysis Records	
Project Links				Design Links										Analysis Tools		Analysis Software		Analysis Hardware	
Project Contacts				Design Contacts										Analysis Stakeholders		Analysis Partners		Analysis Suppliers	
Project References				Design References										Analysis Standards		Analysis Guidelines		Analysis Best Practices	
Project Templates				Design Templates										Analysis Forms		Analysis Checklists		Analysis Worksheets	
Project Manuals				Design Manuals										Analysis Guides		Analysis Manuals		Analysis Handbooks	
Project Policies				Design Policies										Analysis Rules		Analysis Procedures		Analysis Protocols	
Project Guidelines				Design Guidelines										Analysis Principles		Analysis Methods		Analysis Techniques	
Project Standards				Design Standards										Analysis Norms		Analysis Conventions		Analysis Conventions	
Project Specifications				Design Specifications										Analysis Parameters		Analysis Variables		Analysis Constants	
Project Requirements				Design Requirements										Analysis Inputs		Analysis Outputs		Analysis Results	
Project Constraints				Design Constraints										Analysis Limits		Analysis Tolerances		Analysis Margins	
Project Risks				Design Risks										Analysis Threats		Analysis Vulnerabilities		Analysis Weaknesses	
Project Opportunities				Design Opportunities										Analysis Strengths		Analysis Capabilities		Analysis Advantages	
Project Challenges				Design Challenges										Analysis Difficulties		Analysis Complexities		Analysis Uncertainties	
Project Successes				Design Successes										Analysis Achievements		Analysis Milestones		Analysis Highlights	
Project Lessons				Design Lessons										Analysis Insights		Analysis Takeaways		Analysis Conclusions	
Project Feedback				Design Feedback										Analysis Reviews		Analysis Comments		Analysis Suggestions	
Project Metrics				Design Metrics										Analysis Data		Analysis Statistics		Analysis Trends	
Project KPIs				Design KPIs										Analysis Goals		Analysis Objectives		Analysis Outcomes	
Project Benchmarks				Design Benchmarks										Analysis Targets		Analysis Standards		Analysis Benchmarks	
Project Best Practices				Design Best Practices										Analysis Examples		Analysis Case Studies		Analysis Success Stories	
Project Case Studies				Design Case Studies										Analysis Examples		Analysis Case Studies		Analysis Success Stories	
Project References				Design References										Analysis Examples		Analysis Case Studies		Analysis Success Stories	
Project Templates				Design Templates										Analysis Examples		Analysis Case Studies		Analysis Success Stories
